The submission of this Information Disclosure Statement does not represent that a search has been made or that no better art exists, and does not constitute an admission that any of the listed documents are material or constitute "prior art." If the Examiner applies any of the

documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Applicants believe that no fee is required for this submission, because it is being mailed before receipt of a first office action on the merits from the Examiner. However, in the event that a fee is required, the Commissioner is hereby authorized to charge any fees or credit any overpayment to Deposit Account No. 02-4377.
